The book is divided into five sections: "Politics and Government," "Arts and Culture," "Education and Science," "Business and Industry," and "Sports." Each section features 10 biographies of individuals who have made a lasting impact in their respective fields.

The book's subjects are a diverse group of people, both men and women, from all walks of life. They include politicians like Andrew Johnson and Terry Sanford, entertainers like James Taylor and Maya Angelou, educators like William Friday and Belva Ann Lockwood, business leaders like Richard Petty and Cameron McMillan, and athletes like Michael Jordan and Mia Hamm.

The biographies in "The Greats of North Carolina" are well-written and engaging, providing a comprehensive overview of each individual's life and achievements. The authors have done a great job of capturing the essence of each person's character and the impact they had on their community and the state as a whole.

One of the things that makes "The Greats of North Carolina" so special is the variety of perspectives it offers. The authors come from a variety of backgrounds, and they each bring their own unique insights to their subjects. This diversity of voices makes the book a well-rounded and informative read.

If you are interested in learning more about North Carolina's history and heritage, I highly recommend reading "The Greats of North Carolina." This book is a valuable resource for anyone who wants to know more about the people who have shaped the state's legacy.

Here are a few excerpts from the book that give you a taste of the fascinating stories it contains:

On Andrew Johnson: "Johnson was a complex and often contradictory figure, but he was also a man of great courage and conviction. He was a staunch Unionist during the Civil War, and he risked his life to keep

Tennessee in the Union. After the war, he served as Lincoln's vice president and then as president himself. His presidency was marked by turmoil and controversy, but he never wavered in his belief that the Union must be preserved."

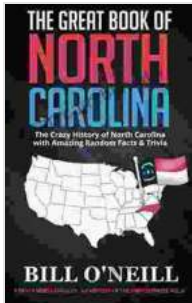

On Billy Graham: "Graham is one of the most influential religious leaders in American history. He has preached to millions of people around the world, and his message of hope and redemption has inspired countless lives. Graham is a gifted orator, and his sermons are known for their clarity, simplicity, and power."

On James Taylor: "Taylor is one of the most successful and beloved singer-songwriters of all time. His songs have touched the hearts of millions of people, and he has won numerous awards, including five Grammy Awards. Taylor is known for his warm and soulful voice, his introspective lyrics, and his knack for writing songs that are both personal and universal."

On Maya Angelou: "Angelou is a poet, memoirist, actress, and civil rights activist. She is one of the most important and influential writers of our time. Angelou's work is known for its honesty, its insights into the human condition, and its celebration of the African American experience."

On Terry Sanford: "Sanford was a visionary governor who led North Carolina through a time of great change. He was a strong advocate for education and economic development, and he helped to lay the foundation for the state's future prosperity. Sanford was also a national leader in the civil rights movement, and he played a key role in the passage of the Civil Rights Act of 1964."

"The Greats of North Carolina" is a must-read for anyone who wants to learn more about the people who have shaped the state's history and heritage. This book is a valuable resource for anyone who wants to know more about the people who have made North Carolina a great place to live and work.
