Backpacker Magazine's Bear Country Behavior is the definitive guide to staying safe and avoiding bear encounters while hiking and camping in bear country. With expert advice and real-life stories, this book will prepare you for any situation you may encounter in the wilderness.

Expert Advice from the Bear Experts

This book is written by the experts at Backpacker Magazine, who have decades of experience hiking and camping in bear country. They've seen it all, from close encounters with bears to full-blown attacks. In this book, they share their knowledge and experience so that you can avoid the same mistakes and stay safe in bear country.

Real-Life Stories from Backpackers

In addition to expert advice, this book also includes real-life stories from backpackers who have had close encounters with bears. These stories are a valuable learning tool, as they provide a glimpse into what can happen in the wilderness and how to avoid making the same mistakes.

Covers All Aspects of Bear Country Behavior

This book covers all aspects of bear country behavior, from how to identify bears and their signs to how to store food and dispose of waste. It also includes information on how to hike and camp in bear country, as well as what to do if you encounter a bear.

The Ultimate Guide for Backpackers

If you're planning on hiking or camping in bear country, then you need to read this book. It is the ultimate guide to staying safe and avoiding bear encounters. With expert advice and real-life stories, this book will prepare you for any situation you may encounter in the wilderness.
