## About the Book

Donatello, the Florentine sculptor who lived from 1386 to 1466, is widely regarded as one of the greatest artists of all time. His groundbreaking techniques and innovations revolutionized the art world and shaped the course of Western art. This comprehensive illustrated volume presents the complete works of Donatello, offering a unique opportunity to explore the extraordinary artistic legacy of this master sculptor.

The book features stunning photography of Donatello's most famous sculptures, including David, St. George, and the equestrian statue of Gattamelata. Each image is accompanied by insightful analysis, providing a deeper understanding of Donatello's artistic vision and techniques. The book also includes a detailed biography of Donatello, as well as essays on his influence on other artists and the development of Renaissance sculpture.

## Features

- Complete works of Donatello, including sculptures, paintings, drawings, and reliefs
- Stunning photography of Donatello's most famous masterpieces

- Insightful analysis of Donatello's artistic vision and techniques
- Detailed biography of Donatello
- Essays on Donatello's influence on other artists and the development of Renaissance sculpture

## **Benefits**

This book is an essential resource for anyone interested in Donatello, Renaissance sculpture, or the history of art. It is also a beautiful coffee table book that will be enjoyed by anyone who appreciates fine art.

By reading this book, you will:

- Gain a deeper understanding of Donatello's artistic vision and techniques
- Explore the extraordinary artistic legacy of one of the greatest sculptors of all time
- Discover the groundbreaking techniques and innovations that revolutionized the art world
- Enjoy stunning photography of Donatello's most famous masterpieces
