Krist ventures into uncharted territories, seeking out the hidden beauty and unique experiences that lie just off the main road.

From the rugged landscapes of Patagonia to the vibrant markets of Marrakech, from the ancient ruins of Petra to the pristine beaches of Zanzibar, Krist's journey takes us to places that few have seen before. Along the way, he encounters fascinating characters, learns about local cultures, and discovers the hidden gems that make these destinations so special.

One of the things that makes "Way Off The Road" so special is Krist's ability to capture the essence of these hidden places through his writing and photography. His words are evocative and poetic, transporting the reader to these far-away lands and immersing them in the sights, sounds, and smells of each destination.

But "Way Off The Road" is more than just a travelogue. It's also a meditation on the nature of exploration and the importance of getting lost in

the world. Krist argues that it's in these moments of disorientation and uncertainty that we truly discover ourselves and the world around us.
