The answer is yes, it is possible to live in Costa Rica on a budget of \$1500 per month. This guide will show you how. We'll cover everything from finding affordable housing to saving money on food, healthcare, and more.

### Housing: Where to Live for Less

Housing is typically the largest expense in any budget. In Costa Rica, you can find affordable housing in a variety of locations.

- **Small towns and rural areas:** These areas offer the lowest cost of living in Costa Rica. You can find a small house or apartment for \$300-\$500 per month.
- **Mid-sized cities:** Cities like Alajuela and Heredia offer a good balance of affordability and amenities. You can expect to pay \$500-\$700 per month for a small house or apartment.
- **San José:** The capital city is the most expensive place to live in Costa Rica. You can expect to pay \$800-\$1000 per month for a small house or apartment.

When looking for housing, it's important to consider the following factors:

- **Location:** The closer you are to popular tourist destinations, the higher the cost of living will be.
- **Size:** The larger the house or apartment, the higher the rent will be.
- **Amenities:** Houses and apartments with amenities like a pool or air conditioning will be more expensive.

### **Food: Eating Well on a Budget**

Food is another major expense in any budget. In Costa Rica, you can save money on food by shopping at local markets and cooking at home.

- **Local markets:** Local markets are a great place to find fresh produce, meat, and fish at a fraction of the cost of supermarkets.
- **Cooking at home:** Cooking at home is the best way to save money on food. You can prepare delicious meals for a fraction of the cost of eating out.

- **Growing your own food:** If you have a green thumb, growing your own food is a great way to save money and live a more sustainable lifestyle.

Here are some additional tips for saving money on food:

- **Buy in bulk:** Buying in bulk can save you money on staples like rice, beans, and pasta.
- **Use coupons:** Many supermarkets in Costa Rica offer coupons and discounts on groceries.
- **Eat out less:** Eating out can be expensive, so try to limit your meals to special occasions.

### **Healthcare: Staying Healthy Without Breaking the Bank**

Healthcare is another important consideration when budgeting for life in Costa Rica. The good news is that healthcare in Costa Rica is relatively affordable, especially if you have access to public healthcare.

Public healthcare in Costa Rica is called the Caja Costarricense de Seguro Social (CCSS). CCSS provides comprehensive healthcare coverage to all Costa Rican citizens and residents.

If you are not eligible for CCSS, you can Free Download private health insurance. Private health insurance in Costa Rica is relatively affordable, especially compared to the United States.

Here are some additional tips for saving money on healthcare:
