But what does it take to be a persuasive communicator? Is it something you're born with, or can it be learned? The good news is that persuasion is a skill that can be learned and mastered by anyone.

In his book, *The Art of Persuasion*, author and persuasion expert Ethan Hawke reveals the secrets of persuasion and teaches you how to win without intimidation. This book is packed with practical advice and

techniques that you can use to improve your communication skills, build rapport, and influence others to see your point of view.

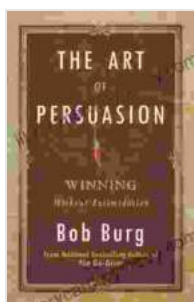

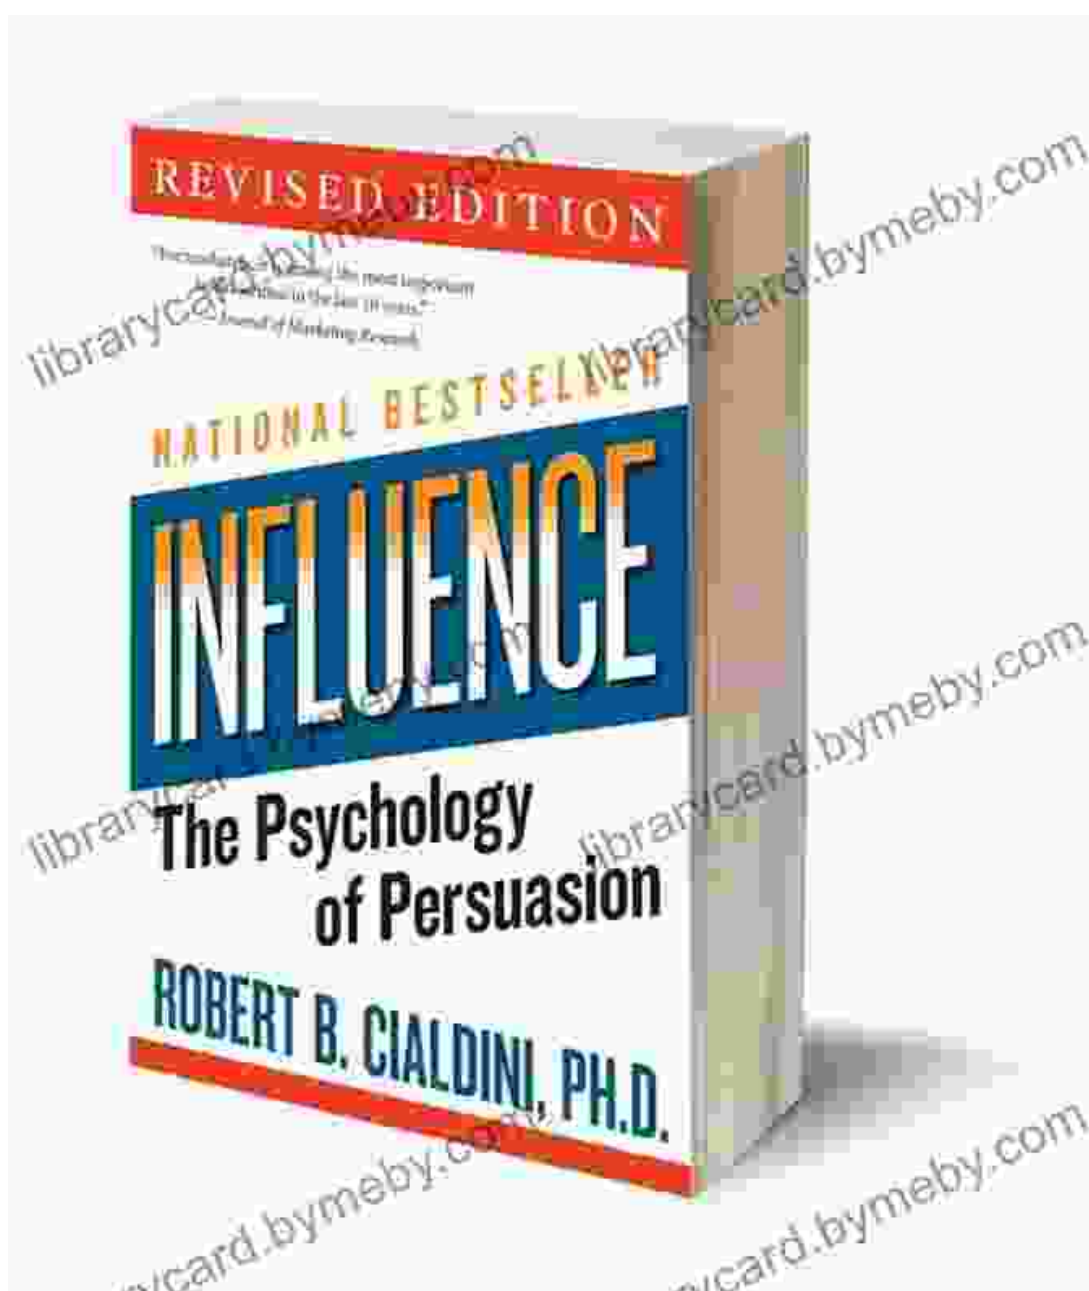

Here are just a few of the things you'll learn in The Art of Persuasion:

- The six principles of persuasion
- How to communicate effectively
- How to build rapport with others
- How to influence others to see your point of view
- How to negotiate and close deals

If you're ready to take your communication skills to the next level and learn how to persuade others to see your point of view, then The Art of Persuasion is the book for you.
