Infertility is a common problem, affecting one in eight couples. Yet it is often shrouded in silence and shame. *The Seed: Infertility Is a Feminist Issue* is a groundbreaking book that breaks the silence and sheds light on the intersection of infertility and feminism.

Author Rebecca Kligler argues that infertility is a feminist issue because it affects women's bodies, minds, and lives in profound ways. She draws on her own experiences with infertility, as well as the experiences of other women, to provide a nuanced and compassionate look at the challenges and triumphs of infertility.

The Seed is a must-read for anyone who has been touched by infertility. It is also an important book for anyone who wants to understand the complexities of women's health and reproductive justice.

Praise for *The Seed*

"*The Seed* is a powerful and moving book that sheds light on the hidden world of infertility. Rebecca Kligler's writing is both personal and insightful, and she provides a much-needed voice for the millions of women who have struggled with infertility." - Gloria Steinem

"*The Seed* is an essential read for anyone who wants to understand the intersection of infertility and feminism. Rebecca Kligler's honest and

compassionate writing provides a much-needed perspective on this important issue." - Roxane Gay

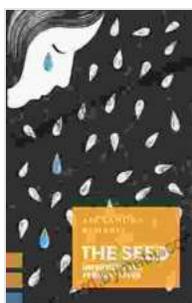

"The Seed is a groundbreaking book that will change the way we think about infertility. Rebecca Kligler's writing is both personal and political, and she provides a powerful voice for the millions of women who have been affected by infertility." - Sarah Jessica Parker

About the Author

Rebecca Kligler is a writer and activist who has been writing about infertility for over a decade. Her work has appeared in The New York Times, The Washington Post, and The Guardian. She is the co-founder of the Infertility Advocacy Project, a non-profit organization that provides support and resources to people struggling with infertility.
