The College Years and the Birth of an Idea

The story begins in the hallowed halls of Harvard University, where six friends came together and shared a common passion for card games. As they spent countless hours playing for fun, an idea began to take shape.

They realized that the game could be more than just a pastime; it could be a lucrative business opportunity.

From Game Night to Business Venture

Armed with their idea, the friends embarked on a business venture that would change their lives forever. They pooled their resources, developed a strategy, and created a company called Six Sigma Investments. Their goal was to create a card game that would be both fun and profitable.

The Creation of Titan

After months of brainstorming and refinement, the friends came up with the concept for Titan, a card game that blended strategy, luck, and high stakes. They knew they had a winner on their hands, but the real challenge lay in convincing others to invest in their vision.

The Race to Success

Undeterred by setbacks and rejections, the friends persevered, pitching their idea to investors and venture capitalists. Eventually, they secured the funding they needed to launch Titan. The game was an instant hit, gaining popularity among gamers and investors alike.

The Billion-Dollar Empire

As Titan's popularity soared, so did the wealth of the six friends. They expanded their business, investing in other ventures and building a portfolio of assets. Within a few short years, they had amassed a billion-dollar fortune.
